(234) 706-287-2179
techzema@gmail.com

Strategic Talent Acquisition leader with 5+ years spanning full-cycle expert recruitment, project talent mobilization, & building high-performance teams in the Fintech, AI, and Clean Energy sectors.

EXPERIENCE

Strategic Talent Acquisition Specialist ZemedicAI (AI/Clean Energy Startup) | Abuja, NG

Feb 2025 – Aug 2025

Led the rapid, full-cycle recruitment and mobilization of a specialized AI/Engineering team to successfully launch the core product (MVP) in 8 months.

Sourced and managed technical experts specializing in solar power and clean energy hardware design for the deployment of diagnostic booths, directly aligning with the energy/environment sector recruitment focus.

Talent & Product Management Lead Werblo Groups (Save2Buy Fintech) | Lagos, NG

Jan 2024 – Jan 2025

Partnered with project managers (Engineering, Legal) to define technical Terms of Reference (ToR) and recruit specialized talent compliant with regulated fintech flows.

Developed and tracked recruitment KPIs (Time-to-Hire, Quality-of-Hire) and performance metrics to ensure top-quality talent acquisition accelerated product development velocity

Recruitment & Expert Mobilization Lead Werblo Groups | Delta, NG

Feb 2023 – Nov 2023

Oversaw expert engagement and mobilization (onboarding, security clearances, compliance training) for all IT and security personnel, enforcing strict ISO/NIST-aligned governance required for donor-funded project standards.

Built helpdesk and change management processes to stabilize expert team output and reduce repeat project incidents.
